

The ASOA1550N15D25GBT from Analog Technologies, Inc. is a high-performance 1550nm Semiconductor Optical Amplifier designed to deliver strong optical gain, stable output, and ...

Mouser offers inventory, pricing, & datasheets for Singlemode 1550 nm Fiber Optic Transmitters, Receivers, Transceivers.

Get 10G SFP+ ZR 1550nm 120KM LC Optical Transceiver from ETU-Link Technology CO .,LTD,we supply excellent 10Gbase SFP+ Modules. Long using life,high performance,wholesale at factory price!

The Optilab SWL-1550-MC laser source module unit provides fast continuous wavelength sweeping, driven by an electrical ramp voltage input, and contains a fast tunable laser source with control ...

USource 1310 1550 Dual Wavelength Laser Diode BOSA Module includes two Fabry-Perot (FP) Laser Diodes (LDs) with center wavelengths at 1310nm and 1550nm respectively.

Box Optronics is one of the famous China 1550nm Fiber Laser With Driver Module manufacturers and suppliers. Our products can not only be customized but also support bulk.

The ORION "s packaging was designed with the customer"s need in mind: highly integrated, small form factor and self-contained module. This optical solution is positioned for reducing the development ...

It is designed for transmitter applications to increase optical launch power to compensate for the loss of other optical devices. The benchtop version incorporates a user-friendly front panel housing a LCD ...

Reachoptics 2.5G SFP 20km 1550nm Optical Transceiver with good price, good quality, good after-sale service, short lead time, three years warranty, compatible with Cisco, HP, Brocade, Dlink,Juniper etc. ...

The module features fast rise time, high pulse extinction ratio, good stability, and ease of use, making it an ideal alternative to traditional electro-optic and acousto-optic modulators in various fiber-optic ...
