

Product description: ACS-40GE-ER4 is a parallel 40Gb/s Quad Small Form-factor Pluggable (QSFP+) optical module and designed for 30km optical communication applications.

The NS-205AFCS-T is a 4-port unmanaged Ethernet with 1 fiber port switch. Using fiber optics, you can prevent noise from interfering with your system and supports high-speed (100 Mbps) and high ...

The IFS-402F series are 6-port Ethernet switches with 4-port 10/100Base-T (X) and 2-port 100Base-FX optical fiber, provide stable and reliable transmission for your industrial Ethernet connections.

The 100G QSFP28 ER4 optical transceiver delivers carrier-class performance for long-haul data transmission, supporting 100G Ethernet over single-mode fiber up to 30km.
