

HACU 40th Annual Conference 40 Years of Championing Higher Education Success: One Graduate at a Time  
Oct. 31 - Nov. 2, 2026 o Gaylord Pacific Resort & Convention Center o Chula Vista, California ...

DiCon's Optical Switching System (OSS) is an all-optical non-blocking cross-connect switch. This rack-mount device is designed with DiCon's proprietary 3D MEMS mirror technology and delivers ...

Saliency Labs unveiled a 32-port all-optical silicon photonic switch designed to improve performance and efficiency in AI data center networks.

A list of 2026 USA Conventions from the biggest convention database as found on FanCons .

Designed to unlock peak performance in AI datacenters, Saliency Labs' all-optical switch technology improves network latency, throughput and reliability metrics while lowering power ...

The Hispanic Association of Colleges and Universities has announced the Call for Presentations for its 40th Annual Conference, Oct. 31- Nov. 2, 2026, at the Gaylord Pacific Resort & ...

Register today for HACU's 40th Annual Conference scheduled to be held in Chula Vista, California, from Oct. 31 to Nov. 2, 2026. Early Bird registration deadline is May 31, 2026.

Saliency Labs will introduce its 32-port all-optical silicon photonic switch at OFC 2026, alongside a testing environment developed with Keysight Technologies (Image: OFC)

The OC-32M all-optical switch module eliminates the need for the costly and power-hungry optical transceivers required for today's electrical switches. Saliency Labs' silicon photonics switches are ...

HACU (@HACUNews). 107 views. HACU has announced the Call for Presentations for its 40th Annual Conference, Oct. 31- Nov. 2, 2026, at the Gaylord Pacific Resort & Convention ...

The switching function is performed all optically, therefore, there is minimum latency and is future-proof of any data format changes. The product is compact, silent, consumes less electricity than any ...

This year's annual event is coming to the Gaylord Pacific Resort & Convention Center in Chula Vista, CA, October 31 - November 2, 2026.

It enables any-to-any connectivity between input and output ports via a transparent optical switch core--transmitting the original light signal without optical-to-electrical conversion and with minimal ...

## 32-Port All-Optical Switch

Chula Vista, CA The HACU Annual Conference is a national convening focused on Hispanic-serving institutions, student success, workforce development, and higher education policy.

HACU has recently announced its Call for Presentations for the 40th Annual Conference, scheduled to be held in Chula Vista, California, from Oct. 31 to Nov. 2, 2026. The conference theme is "40 ...

OXFORD, England, March 19, 2026 -- Saliency Labs' all-optical 32-port switch is designed to improve network latency, throughput, and lower power consumption in AI datacenters. The switch reduces ...
