

FS fiber optic pigtails offer a fast way to make fiber optic communication devices in the field by fiber splicing, fully manufactured and tested by industrial standards.

Fiber4u provides a wide range of Fiber Optic Pigtails, terminated with SC/PC, SC/APC, LC/PC, LC/APC, and other connector types, available in both single-color and multicolor options.

Each cable is fully inspected and contains a test report. Our pigtails are also available with different connectors, polishes, strand counts and styles; like armored and waterproof.

CommScope engineers and manufactures a complete line of high quality fiber pigtails

Fiber optic pigtails have one end terminated with fiber optic connector while the other end is to be spliced together with the fiber optic cable.
