

AdSS optical cable 36 cores single weight

BISMON's ADSS are All-Dielectric self supporting cable and single jacket designed for aerial installation. The optical fiber cable (ADSS) design provides no supporting part or messenger wire required.

Main products are optical fiber cables, data cables, communications cables etc. Its yearly productive capabilities are 4 million core kilometers, 0.5 million boxes, and 6 million pair kilometers respectively.

AFL-ADSS®; (All-Dielectric Self-Supporting) cable is ideal for installation in distribution as well as transmission environments, even when live-line installations are required.

ADSS cable is a type of fiber optic cable that is strong enough to support itself between structures without containing conductive metal elements. Both single mode and multimode fibers can ...

The "All Dielectric Self-Supporting (ADSS)" cables are designed for aerial self-supporting applications at short, medium and long span distances. ADSS cables offer a rapid and economical means for ...

Flex-Span®; ADSS Fiber Optic Cable r lines, as well as underground duct applications. As its name indicates, there are no metallic components and the cable does not require a support or messenger ...

Mini-Span®; ADSS Cable d for aerial distribution power lines. As its name indicates, there are no metallic components and the cable does n t require a support or messenger wire. Mini-Span ADSS cables ...

The cladding diameter refers to the outer layer of the fiber that surrounds the core. It is crucial for ensuring proper fiber alignment during installation and performance.

The structure of the all-dielectric optical cable is conducive to installation and maintenance. With a wide temperature adaptability range and small linear expansion coefficient, it meets the requirements of ...

High-performance ADSS fiber optic cable for aerial installation. Single/multimode options, 12-144 fiber counts, weather-resistant PE/AT sheath. No metal support needed.

Innovative waterblocking cable core Provides efficient and craft-friendly cable preparation

AdSS optical cable 36 cores single weight
