

Automatic Fiber Optic Cable Stripping Coil

Precision Cable Stripper for Single Mode Multimode Fiber Jacket Preparation Automatic Cable Fiber Optic Wire Stripping Machine \$2,750-3,499.99 Min. Order: 1 set

Shop our selection of fiber optic stripping machines for efficient cable preparation. Perfect for telecom and datacom applications. Bulk orders and OEM available.

The pneumatic wire and cable stripper, UniStrip 2545, is designed for jacket stripping of glass optical fiber (GOF) cables and discrete wires up to 3.2 mm (0.125") in diameter.

The machine consists of three separate units, a cable pay-off units, a cable cutting unit and a cable take up unit. Suitable for remote or armored fiber optical cable cutting, out jacket stripping, coiling and ...

Designed for field work, this automated stripper performs coated fiber stripping tasks quickly and precisely, ensuring optimal performance and reliability for your fiber optic projects. Precisely strip 900 ...

The FBT-800 is a pneumatic fiber stripping machine specifically designed for buffer, coating stripping of optical fiber cables and ribbon fibers. The compact machine strips lengths from 5 up to 35 mm with ...

The Auto Stripper by UCL Swift, is designed to strip various type of fiber optic cables using its heater which adjusts heating time and temperature. The Auto Stripper ensures that customers enjoy stable ...

Engineered for efficiency and accuracy, this model integrates both wire stripping and cable jacket splitting functions, making it an ideal solution for manufacturers and technicians working with delicate ...

Jonard Tools manufactures a large range of fiber optic stripping tools specifically designed for technicians in the fiber optics industry. Jonard Tools is committed to manufacturing our products with ...

The FBT-800 is a pneumatic fiber stripping machine specifically designed for ...
