

F& C Sensing Technology (Hunan) Co., Ltd. - Affordable China supplier of Optical Fiber Sensors, Fiber Amplifier, Proximity Sensors, Photoelectric Sensors. Quality products from Chinese manufacturers.

Today, we have most advanced technology and are the most professional sensor manufacturer. Our company has more than 30 national patents and famous for its patented red protective sleeves, ...

The company is mainly engaged in the research and development, production and sales of five categories of products, including special optical fibers and cables, ...

Manufacturers are investing heavily in R& D to innovate and enhance the capabilities of both intrinsic and extrinsic sensors, ensuring the China fiber optic-sensor market remains competitive ...

The company is mainly engaged in the research and development, production and sales of five categories of products, including special optical fibers and cables, special optical devices, new ...

Leading manufacturer of photodetectors and distributed fiber optic sensing systems (DVS,DAS,DTS) from China, Over 100 universities and research units have chosen us.

Explore our top suppliers or request your custom quote to secure competitive price and factory terms today. Are OEM custom fiber optic sensors available for unique specs or applications?

Today, we have most advanced technology and are the most professional sensor manufacturer. Our company has more than 30 national patents and famous for its ...

As leading manufacturers and suppliers in China, we provide high quality, durable, and customized products. Factory direct, wholesale, bulk buy options available with competitive price, price list, and ...

Nanjing Hecho Technology Co., Ltd. is one of the leading providers of optical transmission solutions in China. We provide innovative technology and product solutions to our customers in many countries ...

Sichuan Huiyuan Plastic Optical Fiber Co., Ltd is a high-tech company which specializes in researching, manufacturing and marketing of low-loss PMMA plastic optical fiber, optical cable as well as its ...
