

Democratic Republic of Congo

Disc-shaped fiber optic cable

This study explores the economic impact of the international data connectivity delivered by submarine fiber optic cables ("subsea cables") on the Democratic Republic of Congo (DRC).

The USTDA-funded study will include an assessment of potential fiber backbone routes through the Democratic Republic of the Congo, Kenya, Tanzania, Uganda, and Zambia.

The 5 countries covered by the project are located in Central and Southern Africa and includes: the Democratic Republic of Congo, Zambia, Zimbabwe, Malawi and Mozambique.

BCS Group's Lake Tanganyika submarine cable reaches depths of 800 to 1,300 meters. The project is set to boost internet connectivity, speed and ...

As part of Benya Group efforts to lead digital transformation across Africa, Benya Group will deploy a fiber optic network in the Democratic Republic of Congo (DRC). This project will form the foundation ...

On the basis of this plan, it is planned to draw up full feasibility studies for the priority links that make up the national component of the regional CAB project. The beneficiaries of the project are ...

BCS Group's Lake Tanganyika submarine cable reaches depths of 800 to 1,300 meters. The project is set to boost internet connectivity, speed and affordability to seven million people in ...

In most of the world, a large number of such cables exist, often amounting to robust Internet backbones. The lack of such high-speed cables poses a great problem for most African countries.

Genew Technologies and Zhongshi Wosen, both Chinese companies, will help the Democratic Republic of Congo (DRC) build its fiber optic network. The Congolese Minister of ...

The Democratic Republic of the Congo (DRC) is advancing its digital connectivity with the installation of a fiber-optic network, supported by the European Investment Bank (EIB), in ...

The Democratic Republic of Congo (DRC) has launched a EUR66.55 million fibre optic cable project, a significant leap towards enhancing its digital infrastructure. Funded by the African ...
