

The EP6228-0042 IO-Link module enables connection of up to eight IO-Link ...

The EP6228-0042 IO-Link module enables connection of up to eight IO-Link devices, e.g. IO-Link box modules, actuators, sensors or combinations thereof. In addition, the EP6228-0042 offers additional ...

These junction boxes provide a rugged solution with an IP67 rating or greater, making them ideal for both indoor and outdoor applications. Products are available with M12, M8, 7/8", or M20 ...

The Midas DL8 Digital Stage Box is the ideal 8 x 8 signal distribution solution thanks to our legendary remote controllable mic preamps, Klark Teknik's AES50 connectivity and a wealth of other ...

This optical fiber distribution box is provided with 2 input and 8 output ports, allowing installation of 8 drop cable or terminal access of 8 end-users. It is of high-quality ABS plastic provides solid ...

The SB282 Series Switch Box is used to convert the three-conductor wiring of up to eight remotely-installed dual output sensors to two switched BNC connectors and one output switched two-pin MIL ...

Dual input design allows power to be steered from two (2) independent low voltage 5 to 24 VDC power sources into eight (8) independently controlled fuse protected outputs. In ACMS8, these power ...

The DL8 digital stage box is the ideal 8 x 8 signal distribution solution courtesy of legendary MIDAS remote controllable mic preamps, Klark Teknik's AES50 connectivity and a wealth of other ...

Suitable for RS232 interface PC, access control systems, laptops, SMS ...

Suitable for RS232 interface PC, access control systems, laptops, SMS controllers, noise detectors, terminal equipment, industrial control, digital instrument collection, multi-serial port equipment, etc.

Each input and output are individually addressed and controlled by the control equipment and provide a cost effective, compact solution for installations requiring multiple switching and / or monitoring at a ...

This innovative module features eight outputs, each equipped with fuse protection to ensure safety and efficiency. Designed for versatility, the PDS8 is perfect for various applications where power ...
