

This complete optical Wideband satellite and terrestrial receiver captures the TV optical signal on a single fiber (1100...1650nm) and restores the original terrestrial and satellite TV signals, providing 4 ...

Connection of up to 256 optical RFoG micro nodes (e. 4 clusters with each 64 RFoG micro nodes)
Microprocessor-controlled adjustment of system parameters using frontal keypads or via a web ...

OCTAGON SF 8008, 4K, UHD, E2, DVB-S2X, DVBC/T2 is a 4K/UHD combination receiver and has one satellite DVB-S/S2/S2X tuner and one hybrid DVB-C/T/T2 ...

Here you find 25 models, 25 with images and 16 with schematics for wireless sets etc. In French: TSF for Télégraphie sans fil.

The Quattro Overlight series receiver receives the optical signal and processes it to recover original terrestrial and satellite TV signals. Providing 4 RF outputs in Quattro mode so that in each connector ...

Thanks to its optimized electronics and low losses, it is possible to reduce the number of amplifiers required and simplify deployment in collective installations, while preserving signal quality throughout ...

The OR 9 QT optical receiver converts the received optical signal into an RF signal and outputs it to eight outputs with fixed SAT polarization planes and one terrestrial output for connecting multiswitch ...

KATHREIN OEQ 40 205500018 Optical receiver (Quattro)- TV reception / distribution, SAT ZF Distribution Technology, SAT optics, SC/APC connector - Ihr KATHREIN. Zuverlässig. Innovativ. ...

Gallery Product Specs ... Similar Products Reverb Price Guide Estimated Value for Radial Catapult Mini RX 4-Channel Receiver on Reverb Filter by model Includes material, year, finish Filter by condition ...

Optical to RF convertor for multiswitch systems. It supports 4 satellite polarities, digital TV, FM and DAB, and converts the optical power to RF power. Multiswitch distribution systems spread over long ...

OCTAGON SF 8008, 4K, UHD, E2, DVB-S2X, DVBC/T2 is a 4K/UHD combination receiver and has one satellite DVB-S/S2/S2X tuner and one hybrid DVB-C/T/T2 tuner built-in. It uses a LINUX operating ...

The Quattro Overlight series receiver receives the optical signal and processes it ...
