

Fiber Optic Cable Suspension Equipment Price

ADSS hardware (all-dielectric self support) for fiber optic cable. ADSS fiber optic dead end self support, tangent supports and including FAS supports and FDS all dielectric tangents and trunnions.

Optical Fiber OSP Suspension Clamp, Messenger ("8"). Got Questions ? Call us 24/7! 866-650-3282.

ZION Communication focuses on optical fiber cable hardware products, offering FTTH and ADSS series solutions--including stainless steel, nylon, and composite flat cable drop clamps, tension clamps, ...

AFL's ADSS suspension unit is used to provide long term performance for spans up to 1200 feet. The interlocking halves of the aluminum body clamp provide positive alignment and utilize our proven ...

We supply various clamps and brackets for ADSS or drop cable install solutions. Cable clamp and bracket are very important factor during telecommunication projects.

This cable clamp provides you an ability to fasten the cable, without exposing the cable or separating supporting elements. The installation does not require baring or separation of the supporting cable ...

Discover fiber optic suspension clamps for optical fiber networks. Stainless steel & UV-resistant materials ensure reliable, long-term aerial cable support.

Aerial hardware for fiber optic utility: brackets, suspension clamps, J hooks, grounding, pole line fittings, mounting hardware, and more for telecom builds.

ZION Communication focuses on optical fiber cable hardware products, offering FTTH and ADSS series solutions--including stainless steel, nylon, and ...

Features: FTTH drop clamp S-Type designed for suspension or tension round or flat FTTH fiber optic cable or drop wire cable in FTTH construction or telephone drop wires. FTTH clamp S-Type is ...

Fiber optic cable bracket YKP-01 Brackets and hooks are developed to anchor and suspend the fiber clamps on the wall or poles, when building fiber optic cable lines or energy lines.
