

Product Overview 152 700-P Industrial Relays 154 700S-P and 700S-PK Heavy-duty Safety Control Relays 167 700-N Industrial Relays 172 700-R Sealed Switch Relays 178 700-RTC -- Solid-state ...

Quickly access technical documents for Allen-Bradley Bulletin 700 general purpose and timing relays.

If the signal is opened after the time delay is complete, the relay contacts energize immediately and the same time delay begins. Continuous cycling of the signal at a rate that is faster than the time delay ...

The Type HGA hinged armature auxiliary relays are designed to provide additional...

Protective relays and devices have been developed over 100 years ago to provide "lastline" of defense for the electrical systems. They are intended to quickly identify a fault and isolate it so the balance of ...

Performance Data - See page Important-2. NEMA Rating Chart is on page 9-12. 3-pole relays have a 20 A maximum total current rating for all three poles. 3-pole relays have a 10 A maximum total current ...

Bulletin 700-HA -- Tube Base Relay 10 A contact rating DPDT, 3PDT Pin-style terminals Standard ON/OFF flag indicator Options: LED, push-to-test and manual override, socket-mounted surge ...

A fast and selective arc fault mitigation for air-insulated LV & MV switchgear and Relion protection and control relays and sensor technology protect staff and plant facilities for many years.

The functions of the Bulletin 700-HA relay are not influenced by the mounting position. When wall or overhead mounted with strong vibrations, the usage of Bulletin 700-HN151 retainer clips is ...

GE developed a relay for specific use in the sudden-pressure circuit, the HAA16B and HAA16C models. They differ from the HAA15 variants because they are special high-speed models.
