

Our patch panel offers high-density fiber connectivity in a compact 4RU enclosure, perfect for space-constrained environments. Seamlessly integrate with our FlexCore(TM) ODF 600mm frames.

Leading manufacturer of Sliding Fiber Optic Patch Panels. Durable, modular, low-loss panels with pre-terminated options for data centers and telecom networks.

Optimize your network management with our high-density Fiber Optic Patch Panels and ODFs. Available in 1U/2U/4U rack mount and wall mount configurations, supporting SC, LC, FC, and ST ...

Made from high-quality steel and electrostatic spray finished, this patch panel is ideal for optical telecommunication systems, FTTH, WAN, TV networks and cable terminal branch connections.

Achieve successful cable management, handle high amounts of fiber cable and add density to fiber frames with the new DCX Optical Distribution Frame (ODF) System which features innovations like ...

A sliding-type patch panel can be pulled out like a drawer after being installed in a rack. This design makes it much easier to access the internal components for installation, inspection, or maintenance.

At Geteknet, advanced precision fabrication and automated assembly lines allow the production of rack mount, wall mount, and MPO-type fiber patch panels under ISO9001 quality control.

Professional fiber optic patch panels (ODF) for FTTH & data centers. High-density solutions available in rack mount, wall mount, and sliding configurations. Support for SC, LC, and ...

A sliding-type patch panel can be pulled out like a drawer after being installed in a rack. This design makes it much easier to access the internal components for ...

At Geteknet, advanced precision fabrication and automated assembly lines allow the production of rack mount, wall mount, and MPO-type fiber patch ...

Our patch panels can be equipped with different adapter interfaces, including SC, ST, FC, LC, MTRJ, and more. We also offer related fiber accessories and pigtailed as optional additions to ensure that our ...

Optimize your network management with our high-density Fiber Optic Patch ...

Find complete details about Fiber Patch Panel, ODF Module, Fiber Optic ODF, ODF production from LongXing, a manufacturer of equipment enclosures from China
