

Our 8-port rugged switches provide robust connectivity and durability, ensuring seamless data transmission even in harsh conditions.

This space-saving switch transmits data over a Gigabit Ethernet network. Eight ...

Product Summary: 8-Port 100Mbps Industrial Switch 10/100M Ethernet Network Switch From HKOEVEI

The Industrial Ethernet Switch can be widely used in wind, electricity, assembly automation, subway PIS, power SCADA, sewage treatment, metallurgy, intelligent transportation, rail transportation, ...

Scalability: Compact 8-port Ethernet switch with automatic MDI/MDI-X crossover for plug-and-play. Easy integration: Expand your network connectivity with this rugged unmanaged network switch, Easy ...

Plug-and-play Industrial switch ideal for deployment in industrial and outdoor cabinet surveillance settings.

The ZXRL08F series provides the flexibility to all kinds of 10/100Mbps Ethernet Media on RJ-45 port and performs highly stable fiber performance. The ZXRL08F series is packaged in a compact IP40 case ...

Plug-and-play Industrial switch ideal for deployment in industrial and outdoor ...

Built with a industrial-grade design and components, the device achieves Level 4 EMC to withstand surge and ESD from power and Ethernet ports. The industrial-grade ICs, together with extra heatsink ...

Unmanaged industrial Ethernet switch with 8*10/100M RJ45 ports. It can support dual DC redundant power input and DIN Rail mounting.

This space-saving switch transmits data over a Gigabit Ethernet network. Eight auto-negotiating 10/100/1000 Mbps ports send data only to the devices designated to receive it, which improves the ...
