

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Shanghai, China 5 years 523 staff Main categories: Home energy storage system, Telecom power supply, Energy Storage Batte...

Its powerful optical zoom delivers crystal-clear details even at extreme distances, while advanced optical image stabilization (OIS) ensures steady performance in challenging environments.

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

2MP 86X 10-860mm Lens Auto Focus Long Range Network Zoom Camera Module, Find Details and Price about 86X Camera Module IP Camera Module from 2MP 86X 10-860mm Lens Auto Focus ...

The Huijue Group's Optical-storage-charging application scenario is a typical application of microgrid energy storage. The core consists of three parts - photovoltaic power generation, energy storage ...

860mm Lens Optical Imaging Stabilization Ultra Long Range Zoom Network Camera Module, Find Details and Price about Camera Module IP Camera Module from 860mm Lens Optical Imaging ...

The EFSN 860 by Soneil Electronics redefines reliability for energy-intensive operations. Designed for commercial and industrial applications, this 860kWh battery storage system delivers ...

860mm Lens Optical Imaging Stabilization Ultra Long Range Zoom ...

Download Huijue Group's brochures, manuals, and technical PDFs on energy storage solutions, including BMS, EMS, lithium battery systems, and renewable energy.
