

With 6 wholly-owned subsidiaries and 4 major production bases in Shanghai, Yangzhou, Haian, and Huizhou, our operations span the entire industrial chain, from production to R& D and global sales ...

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, ...

We develop and implement customized hybrid energy solutions for mobile telecom sites using a combination of PV solar power, wind energy, and diesel generators to generate reliable power in any ...

As a top inverter and battery manufacturer in China, Huijue has a strong R& D team and technological innovation capabilities to provide high-quality products and services, and insists on being customer ...

Huijue Group was established in 2002 and is a comprehensive high-tech group that integrates diversified development such as communications, the Internet of Things, and new energy.

Join Huijue Group as an energy storage solutions agent. Become a partner in home, industrial, and off-grid energy markets. Grow your business with us!

Integrating advanced design concepts in the industry, with advantages of intelligence, efficiency, safety, reliability, and intelligent operation and maintenance, we provide customers with efficient integrated ...

Turnkey Design: All-in-one enclosure with auxiliary cooling & fire suppression. Advanced Specs: 125kW rated output, 99% max efficiency, wide voltage range (728-936V DC). Global Standards: Compliant...
