

Rugged Industrial Ethernet Switches with PoE, 5-10 ports, 10/100/1000Base-T and fiber support. Built to withstand -40°C to 75°C, shocks and vibration.

Workhorses for a broad spectrum of industrial needs, these modular switches feature high-wattage PoE options, high-speed 10-GE uplinks, and advanced network security capabilities.

These ruggedized PoE switches are ideal for use in factories, plants, and other industrial settings where traditional network switches may not be suitable. Enjoy a streamlined communication infrastructure ...

Industrial technology, a broad field that includes designing, building, optimizing, managing and operating industrial equipment, and predesignated as acceptable for industrial uses, like factories

Designed with industrial automation and surveillance applications in mind, this industrial PoE Ethernet switch delivers both power and high-speed data through a single cable, simplifying deployment and ...

Advantech's PoE products are easy to install and deliver reliable remote power to your devices, thus offering an industrial-grade or an outdoor poe switch with a rugged housing for use in harsh ...

4 senses: 1. of, relating to, derived from, or characteristic of industry 2. employed in industry 3. relating to or concerned.... Click for more definitions.

When PoE switches are designed for use in harsh or extreme environmental conditions, such as industrial automation, military, marine, mining, oil-and-gas, or railway applications, the device may be ...

The industrial sector includes the production of defense equipment in the aerospace, construction business, machinery, electrical equipment, and others. In addition, it also renders commercial and ...

AXIS T8504-R Industrial PoE Switch is a 4-port managed industrial PoE Gigabit switch. In addition, the switch is equipped with two RJ45 and two SFP data ports that allows for extra devices to be connected.

They provide continuous uptime, manageability, and operational efficiency. With flexible PoE options of IEEE 802.3af, 802.3at and 802.3bt supporting up to 90W PoE per port, each switch offers the ...

Industrial Revolution, in modern history, the process of change from an agrarian and handicraft economy to one dominated by industry and machine manufacturing. These technological ...

The meaning of INDUSTRIAL is of or relating to industry. How to use industrial in a sentence.

Define industrial. industrial synonyms, industrial pronunciation, industrial translation, English dictionary definition of industrial. adj. 1. Of, relating to, or resulting from the manufacturing industry: industrial ...

Discover the meaning of industrial in business and its various types, from manufacturing to services, and how they impact industry and economy.

Adjective industrial (comparative more industrial, superlative most industrial) Of or relating to industry, notably manufacturing.
