

The PFIC50K55P30 is a compact all-in-one solar storage system integrating a 50kW power output, 55kWh energy storage capacity, and 30kWp high-efficiency foldable PV modules--engineered for off ...

Optimization of our engineering and manufacturing resources in Israel and in China to achieve the shortest time to market and a very compatible total cost of ownership

Enter the Xiongaputo smart energy storage cabinet market - the unsung hero of Africa's energy revolution. These sleek metal boxes aren't just battery holders; they're the Swiss Army knives of ...

The future of electricity lies in intelligent, AI-driven smart grids that ensure efficiency, reliability, and sustainability. Israel's innovations in this space are already making a global impact, ...

A major immersive digital art venue in Israel required a customized low-voltage power distribution solution capable of supporting dynamic electrical loads, precise timing coordination, and ...

Our expertise in precision engineering and advanced manufacturing allows us to produce cabinets that meet the stringent demands of modern power ...

These versatile substation automation and data management units are used together with protection relays and other communication devices to enable smart distribution solutions.

Our distribution panels are assembled with customer specific cable widths, adapters and connectors. We also design and manufacture panel distribution cabinets for export-oriented OEMs.

Our expertise in precision engineering and advanced manufacturing allows us to produce cabinets that meet the stringent demands of modern power distribution networks.

Throughout the years, the company specialized in development, production and marketing of electrical cabinets and various metal products. Its products comply with high standards, and manufactured by ...

Single-phase and three-phase smart PDU strips for server rack installation, from Advise Electronics, which provides excellent service and solutions to its customers and has over 30 years of experience ...
