

Jamaican processing site electrical distribution box

This division provides boxes, panels, Steel Wire Armoured (SWA) cables, wires, wiring devices, bulbs, contactors, breakers, switches and similar apparatus, to both retail and commercial customers.

Jamaican standards establish requirements in relation to commodities, processes and practices, but do not purport to include all the necessary provisions of a contract.

We are distributors of quality electrical materials for commercial, industrial, and residential markets at competitive prices. A trusted company operating in Jamaica since 1965.
