

Low-noise air-cooled power switch original and genuine product

Utilizing the most up-to-date technology and employing digital controls in our power supplies. Our devices are characterized by excellent control accuracy and extremely low ripple.

The micro DIP switches SW301-6, SW301-7, and SW301-8 on each control board is related to the unit type, either 2-pipe PJP or 4-pipe PJS. These three DIP switch are set in the factory according to the ...

Explore Dynapower's choices for switch mode DC power supplies: pre-engineered, water-cooled, and air-cooled rectifiers that satisfy all industry applications.

While many products have gotten CE, EMC, NOISE, GS, SONCAP and EPA certifications to constantly bring our customers reliable and high-quality products. You can count on us for quick and ...

CEHCO specializes in Air Cooled Switch Mode Power Supply; made built to order. For more information, please contact us at 714 624 4740.

We present probably the smallest, conduction-cooled, acousto-optic Q-Switch currently in production anywhere in the world. Specifically designed for use in miniature, short-pulse, low power, DPSS ...

The MSA rectifiers are based on Switch Mode Technology. This reliable technology assures excellent quality DC currents with a ripple of < 3% and a control accuracy of less than 1%.

High efficiency and low noise are the hallmarks of all our air-cooled chillers. The full line features a wide range of sizes, efficiencies and performance features that help our customers keep operations ...

We present probably the smallest, conduction-cooled, acousto-optic Q-Switch ...

With forced air-cooled models, the cooling air quantity is controlled in relation to the load reducing contamination and noise levels. Add To List ShareProduct HomeContact/SalesCompany Catalog

To replace a defective part for a product under a manufacturer warranty, please contact Customer Support at 1-800-444-3353 for assistance. Proof of purchase required to receive a part at no cost.

Genuine OEM parts at affordable prices, generator parts for Generac and Kohler generators. Over 30,000 parts available for same day shipping. Shop now.
