

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...

With a highly durable housing smaller than a 3U half-rack, these switches are designed to fit in confined spaces and operate in the harsh environments common in substation, mining, and oil and gas ...

The EDS-4008 Series features 8-port managed Fast Ethernet switches with options for four 1 Gbps uplink ports or two 100M fiber-optic ports. Some models include four PoE/PoE+/PoE+ Ethernet ports ...

With a highly durable housing smaller than a 3U half-rack, these switches are designed to fit in confined spaces and operate in the harsh environments ...

Enjoy the greater flexibility and expandability by choosing from a diverse selection of 4-port Fast Ethernet modules with copper or fiber optic (SC/ST) connectors. Users can easily set up a versatile ...

Discover the Switch_4 ELEC+1MM optical ports (MOXA) wind turbine spare part. Available in 1 PCS. Inquire now for reliable supply.

Made by LogixCare LLC.

Modular managed Ethernet switch system with 6 slots for 4-port fast Ethernet interface modules and 2 slots for 2-port Gigabit interface modules, up to 24+4G ports.

With an industrial-grade design, our PoE switches provide surge protection of 4 kV per LAN port. Additionally, Smart PoE management features simplify PoE network deployment and maintenance.

The EDS-4012 Series is compliant with the IEC 62443-4-2 and IEC 62443-4-1 Industrial Cybersecurity certifications, which cover both product security and secure development life-cycle requirements, ...

Moxa EDS-P506E-4PoE-2GTXSFP-T Managed Ethernet PoE Switch with 4 PoE+/60W 10/100BaseT (X) Ports, 2 Combo 10/100/1000BaseT (X) or 100/1000BaseSFP Ports, -40 to 75°C op. Temp, Dual ...
