

FS PLC Fiber Optic Splitters, Bare/Blockless/ABS/LGX Splitter/Rack Mount Types, support 1xN light distribution, with low IL and PDL for high-reliability transmission. Deploying compact FS PLC Splitters ...

Also known as optical taps, the FOBS-12N series of miniature polarization maintaining splitters use a partially reflecting mirror to transmit a portion of the light from the input fiber to the main output fiber ...

Castor's Multimode Fiber Splitters (MFS) are designed to efficiently split or combine multimode signals with minimal insertion loss. Manufactured with step-index fibers with core diameter ranging from 50 ...

Single-mode optical splitters are designed to work with single-mode optical fiber, while multimode optical splitters are designed to work with multimode optical fiber.

CommScope offers a portfolio of bare and connectorized splitters/couplers in a wide range of styles and split ratios, and splitter modules for inside plant (ISP) and outside plant (OSP) applications that help ...

Fiber Optic Splitter Solutions for Optical Networks A Fiber Optic Splitter is a passive optical component used in FTTH, FTTx, GPON, and EPON networks to distribute optical signals from one input fiber to ...

Explore our comprehensive selection of high-performance fiber optic splitters. We offer a variety of PLC splitter types, including ABS box, LGX cassette, and rack-mount options with multiple split ratios.

We offer a full line of fiber optic couplers and splitters supporting SM, MM, PM, large core, and double-clad fibers across 300-2000 nm, with power handling up to 100 W and operating temperatures up to ...

Get all of your fiber optic cable splitters from Multilink. We provide custom and innovative solutions for your telecommunication material needs.

Explore our collection of optical cable splitters and PON splitters for sale. Optical beam splitters are used to split the fiber optic light evenly into several parts at specific ratios.

Fiber Optic Cable Splitters A Range of Industry-Leading Cable Splitters Custom Design Options Available Get Fiber Optic Splitters from Multilink With more than 35 years of experience, Multilink can provide high-quality fiber optic splitters that meet your needs and promote efficient, cost-effective network expansion. To see how our optical splitters could benefit your business, contact us for a free quote today.
