

EL2501 (K)-G by Everlight Elec - In-stock components at LCSC. Price from \$0.0385. Free access EL2501 (K)-G datasheet, Package, pinout diagrams, and BOM tools.

The EL2501-G series of devices each consist of an infrared emitting diodes, optically coupled to a phototransistor detector encapsulated with green compound. They are packaged in a 4-pin DIP ...

Description The EL2501-G series of devices each consist of an infrared emitting diodes, optically coupled to a phototransistor detector encapsulated with green compound.. They are packaged in a 4 ...

EL2501 (K)-G is an LED optoelectronic/LED;The light coupling manufactured by EVERLIGHT. Download the EL2501 (K)-G datasheet to learn more about specifications, pins, packaging and other information.

To order EVERLIGHT EL2501, view EL2501 inventory and request a quote, visit IC-Components, a trusted online distributor of electronic components. IC-Components will provide great prices, quality ...

Manufacturer: Everlight Electronics Co., Ltd. Description: 8 PIN DIP DUAL CHANNEL HIGH SPEED 1Mbit/s TRANSISTOR PHOTOCOUPLER. 3 Results. Part #: EL2531. Datasheet: 954Kb/13P. ...

The EL2501 (K)-G with Optocouplers DIP-4 RoHS is a device made by Everlight. It is an optocoupler with a type of digital isolator that provides a hard, galvanic insulation barrier between two points in a ...

Find the best pricing for Everlight EL2501(K)-G by comparing bulk discounts from 5 distributors. Octopart is the world"s source for EL2501(K)-G availability, pricing, and technical specs and other electronic ...
