

This product is designed for fiber-communication based on optical-electrical technology. The product has 4 channels per transceiver with data rates maximum 10G per channel. The QSFP contains a duplex ...

The product is designed with form factor, optical/electrical connection and digital diagnostic interface according to the QSFP+ Multi-Source Agreement (MSA). It has been designed to meet the harshest ...

It's a 40G SR4 optical module with an MPO connector, designed for short-range data center links. It's been used before, so there might be minor cosmetic wear, but it's fully tested and working perfectly.

RTXM320-581 40G QSFP& plus; SR4 transceiver modules are designed for use in 40 Gigabit Ethernet links on up to 100m of Multi mode fiber& period; They are compliant with the QSFP MSA and IEEE ...

Buy YCMIDCL Optical Module RTX320-571 40G-QSFP-SR4-300m-850nm 40G multimode: Transceivers - Amazon FREE DELIVERY possible on eligible purchases

This WTD RTX320-571 is designed for fiber communication based on optical-electrical technology. The product is an integrated module containing a micro-optic component and semiconductor ...

RTXM320-581 40G QSFP+ SR4 transceiver modules are designed for use in 40 Gigabit Ethernet links on up to 100m of Multi mode fiber. They are compliant with the QSFP MSA and IEEE 802.3ba. The ...

Looking for a Bulk Quantity of RTX320-581? Request a Quote below and one of our sales representative will get in touch with you very soon.

Topstar Technology Industrial Co.,Ltd. is a professional Compatible WTD Hot pluggable 40G RTX320-400 40G QSFP LR4 LM4 1310nm 10km Transceivers suppliers,we supply all kinds WTD QSFP for sale.

The product is an integrated module containing a micro-optic component and semiconductor material. The module could implement optical-electrical conversion and electrical-optical conversion function. ...
