

Power fittings optical cable suspension strings

We manufacture a wide range of hardware fittings for OPGW Optical Ground Wire, including Suspension and Tension Assemblies, Down Lead clamps, Earthing Clamps, Splice Enclosure, Reinforcing Rods, ...

An experienced and reliable supplier of Hardware Fittings and Accessories for Distribution & Transmission Overhead Line Network applications. All Products are manufactured and Type Tested ...

OPGW hardware fittings. We manufacture a wide range of OPGW hardware, including suspension and tensioning assemblies and lead-in clips.

An experienced and reliable supplier of Hardware Fittings and Accessories for Distribution & Transmission Overhead Line Network applications. All Products are ...

The accessories or fittings are applicable in situations where the cable is likely to be exposed to elements of nature. Such elements include high temperature, strong winds, and ice load.

We also offer a range of OPGW fittings and accessories such as suspension and dead-end fittings, vibration dampers, splice enclosures, grounding and bonding equipment, fiber optic splice trays and ...

AFL's Mechanical Suspension installs easily while supporting vertical, transverse, longitudinal unbalanced loads and angle pulls without damaging the cable strands or affecting optical fiber ...

Transmits the tensile force of the optical fiber cable to the tower or other fixed structures through the clamp, achieving effective tension transfer and maintaining the cable's stable mechanical performance.

Manufactured by ZMS, Dead-end Clamp for ADSS (OPGW) is simplified to a single-layer component, providing an economical solution for very light loads. Our product effectively transfers the low axial ...

The assembly includes various suspension string fittings, such as U-shaped screws, suspension clamps, pre-twisted wire protection lines, grounding drain wires, and necessary ...

With a customer-centric approach, we deliver high-quality, reliable, and efficient signal and low-voltage power transmission products that empower the construction of smart communication networks. ...
