

LaserDiodeSource , part of the Laser Lab Source group, works with industry leading high power laser diode and high power laser control instrument manufacturers to supply Pre-Configured systems ...

These multimode high brightness laser diodes from 10 to 450 W are offered as stock items or assembled with a 0-100% continuously adjustable turn-key driver.

Shop DigiKey's large in-stock selection of Laser Diodes, Modules. View inventory, pricing and order now for same day shipping!

Get the best deals for HIGH POWER Laser Diode at eBay . We have a great online selection at the lowest prices with Fast & Free shipping on many items!

Explore 138 top manufacturers and suppliers of Diode Lasers in our comprehensive photonics buyers" guide. A diode laser is a type of laser that uses a semiconductor diode as the active medium to ...

We offer both free-beam designs and fiber-coupled high-power laser diodes. Laser diodes with fiber Bragg gratings are available for use in wavelength stabilization.

With a commitment to quality, reliability, and performance, we deliver laser diodes engineered to meet the rigorous demands of both defense and commercial applications.

Laser diodes are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ...

See our laser diodes by color or by manufacturer or use the handy laser diode selector below to specify your requirements and see our full range of laser diodes that meet your requirements.

Our vast selection of laser diodes includes both free-space & fiber-coupled outputs, like high-power Fiber-Coupled Multimode, high beam quality single mode, and narrow linewidth & wavelength ...
