

SFF optical module manufacturer direct sales

The FiberPlex Technologies line of SFP Modules supports a host of data rates, wavelengths and power configurations providing maximum flexibility. The SFPs simultaneously support various SONET, ...

Available with SC or LC connectors and compliant with key standards such as RoHS, our 2×5 SFF solutions ensure seamless integration and long-distance transmission capabilities up to 120km.

Shop DigiKey's large in-stock selection of Fiber Optic Transceiver Modules. View inventory, pricing and order now for same day shipping!

The fiber optic transceiver modules can work in any network architecture through professional capabilities and in-house lab test. Click to get your transceiver modules from nearby warehouses. 30 ...

We specialize in producing a wide range of optical transceivers, including SFP, SFF, Mini-SFF, LCC, and Parallel Optical Modules, as well as OLT and ONU solutions.

NAFO is the sole North American distributor of Coretek Opto fiber optic transceivers. Explore SFP, SFP+, QSFP+, XFP & more. Request a quote today.

FiberWDM 100G QSFP28 module solution can provide users with a variety of high-density, low-power 100 Gb Ethernet connection options. Professional fiber optic module manufacturer!

Download the overview datasheet for SFP transceivers, or browse all our transceivers, AOC and DAC cable assemblies. At Smartoptics, we believe strongly in an open approach, smart design principles, ...

We design and manufacture a full portfolio from POF transceivers to 25G SFP+/DWDM modules, including plug-and-play compatible replacements for AVAGO/Broadcom HFBR series.

Small form factor (SFF) optical transceivers designed for multimode fiber featuring either LC duplex or MT-RJ connector. Select up to four products for detailed comparison.
