

Safe and secure modular cable tray manufacturer

Chalfant Ladder Cable Tray Systems are ideal for indoor and outdoor cable management. They provide reliability, ease of installation, and cost savings both initially and long term.

As a less-expensive alternative to conduit, and a stronger alternative than wire basket, and superior to generic tray, the Snap Track cable tray system saves on labor and reduces total installed costs.

With unmatched quality and service, we offer a variety of styles, materials and finishes available to support virtually any commercial and industrial cable management application requirement.

Constructed from our dependable ladder tray components, Cable Bus is a highly modular pathway that handles heavy-powered electrical currents while ensuring safe and reliable power transmission.
