

Welcome to LASER COMPONENTS Nordic. We manufacture and distribute components for the photonics industry. No matter if you are located in Sweden, Norway, Finland, Denmark or Iceland. ...

Swedish is a North Germanic language spoken mainly in Sweden and Finland by about 13 million people.

Modern Swedish (Swedish: nysvenska) begins with the advent of the printing press and the European Reformation. After assuming power, the new monarch Gustav Vasa ordered a Swedish translation of ...

Every module from Swedish Telecom Opto is thoroughly tested before shipping and comes with a full warranty. If it's in your BOM, it's in our lab -- verified and pre-programmed to match your exact ...

The Sensor Module from Neonode, a Swedish company, uses infrared lasers to detect and track fingers or other objects on any surfaces or in the air.

We provide custom fiber optic assemblies for a variety of applications, including fused fiber bundles, optical combiners, and mode field adapters. Equip your team with expert training in fiber preparation, ...

Discover high-performance Opto Modules for reliable and fast data transmission. Explore our range of optical transceivers designed for seamless communication NS - EN.

We are one of the Nordic region's leading service companies in the field of advanced development and manufacture of products and modules that use optical metrology.

This article describes Maxim's microcontroller to design an optical module which is an essential part of fiber optic communication. 5G is a hot topic nowadays, and the arrival of 5G ...

Our free, fun, and effective course helps you learn Swedish with quick, science-based lessons personalized to you.

See why Swedish is consistently named the Seattle area's best hospital, with the best doctors, nurses and overall care in a variety of specialty areas.

View the TI Optical module block diagram, product recommendations, reference designs and start designing.

Learn the Swedish language with our complete and easy-to-follow free course. Our in-depth lessons, native teachers, and cultural insights will help you achieve fluency within a month, whether you're a ...

Welcome to LASER COMPONENTS Nordic. We manufacture and distribute ...

Although learning Swedish is easier than other languages, there's always a way to make it easier. Studying it with an engaging and fun program that actually brings you results is so much better.

In this post, I'll discuss various current-sensing functions in high-bandwidth data communication applications for pluggable optical modules.
