

Armored - Get your Fibermart fiber optic pigtails for your optical network. Choose connector types, fiber length and jacket options with perfect customized fiber pigtail solution.

Established technology with a pedigree of resilience. Traditional Fusion Splice-On Connectors with pigtails provide factory-polished performance with field-termination convenience within harsh ...

OS2 pigtails, singlemode with yellow jacket, other colours and sizes are available. See our website for details.

The Industrial armored cable features strong tensile strength, strong pressure and rodents resistance, and good flexibility characteristics. Besides, it is bending resistant, oil-resistant, ...

Armored pigtails from FiberZON - worldwide supplier in fiber optic solutions, optical network, FTTx, fiber testing, fiber cables & tools.

We provide a variety of fiber optic jumpers, pigtails, multi-channel assemblies and drop cable assemblies to assist providers as they build and expand their networks.

Featuring a unified construction allowing for easy fiber identification and rapid installation, these assemblies are built to exceed all TIA and Telcordia requirements. AFL's pigtail assemblies help ...

CommScope engineers and manufactures a complete line of high quality fiber pigtails

Made with the same Bend insensitive glass as our Superior Flex A2 series, these pigtails take protection a notch further with an inner steel lining and a Kevlar® jacket inside the UV resistant outer layer.

Our patch cords and pigtails comply with industry optical and mechanical requirements and they're available in 1- and 2-fiber combinations for your convenience.

The Industrial armored cable features strong tensile strength, strong pressure and rodents resistance, and good flexibility characteristics. Besides, it is ...
