

Taipei High and Low Voltage Complete Sets of Equipment

1970 Our head office founded in Taipei, Taiwan. Named "Yotak" was specialized import the high-low voltage switchgear equipment. 1993 Tieno bought the know-how from Italy former Vei (ISARC and ...

A Pioneer & Leader in Renewable Energy With High Efficiency Amorphous Metal Transformers

Specializing in the development and production of 35kv, 24kv, 10kv, 0.4kv high and low voltage switchgear, outdoor box-type substations, DC power supply devices, power transformers, automatic ...

It has various high, medium and low voltage power distribution equipment and has the most complete series of models and are able to provide complete pre-sales and after-sales services from system ...

Our products range from the fully intelligent, engineered and custom tailored high & low voltage switchgear, Gas-insulated switchgear, Motor control centers, and Control panels.

GGD Low Voltage Complete Switchgear is a fundamental high and low voltage complete sets of equipment for low-voltage power distribution systems, widely used in residential areas, commercial ...

GGD is suitable for power users such as power plants, substations, factories and mines, and power distribution systems with AC 50Hz, rated voltage 380V, and rated working current to 3150A. It is ...

This solution covers a complete set of power equipment from low-voltage distribution cabinets, high-voltage switchgear to transformers, automation control systems, etc., aiming to provide ...

GGD is a Fixed Complete-set Switchgear Equipment with simply and flexibly. GCK is a Withdrawable Low Voltage Complete-set Switchgear Equipment with high-reliability, cheaply. GHS168 is our ...

Integrated high and low voltage complete sets of equipment providing comprehensive power distribution solutions for industrial, commercial and energy systems.

Taipei High and Low Voltage Complete Sets of Equipment
