

Choose from our selection of terminal boxes, including over 4,300 products in a wide range of styles and sizes. Same and Next Day Delivery.

Personally I've found that Pulse Armor is far more useful. Especially since you can get two uses of it compared to the one use of Terminal Armor.

Have you read our GDPR data policy?

Played in a tournament last saturday and my opponent had terminal armor. When I tried to finish them with the laser sword, I would just get shot while in the animation.

Players have access to Terminal Armor as an Expansion part, unlocked from OS Tuning. Unlike other Expansion parts, it automatically activates when a player's AC takes damage that would deplete its ...

Terminal Armor allows you to get a free rushdown on your opponent without the need to dodge anything, which you can utilize if your weaponry is dangerous enough to get a kill in a very short timespan.

Terminal Armor is an OS Tuning feature that grants players more room for improvement and enhancement to their offense and defense potential. All of the OS Tuning features can be found ...

Terminal Armor (Expansion) is an Expansion in Armored Core 6. Expansions provide players with situationally strong, limited-use abilities that can benefit you either offensively, defensively, or ...

Terminal armor is great for when you don't know what core expansion you wanna take, there's like no risk in taking it and just setting and forgetting. The only other one I use consistently is assault armor ...
